

Getting Back to God!

By Pastor Larry Rupp

And you shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.’ The second is this: ‘You shall love your neighbor as yourself.’ There is no other commandment greater than these.”

Mark 12:3031

God has been showing me in recent months that we need to get back to what’s important in ministry and back to God’s purposes. We have been created to love and worship God. Often we get sidetracked from this purpose, by worrying more about current philosophies and what people think or feel than what God’s perspective is.

In getting back to God we must study God and his character (attributes). This will make us fall in love again with God and gain His perspective for our lives. As we do this we will not only serve Him better but we will love and serve others more effectively and out of a proper motivation.

For the next thirteen weeks, in our worship service, we will be meditating on the attributes of God and thus be drawing closer to Him and hopefully loving Him more. Thus, we will better fulfill the above verse and our high calling in Christ our Lord.

Join me in this mission for the Summer!
