The Home Stretch of our Journey!

By Pastor Larry Rupp

As we approach the month of October we are heading into the home stretch of our year long journey of reading individually and preaching through the Bible in our Sunday morning worship service. It has been a great ride through the Old Testament as we have witnessed God's love, grace and the beginning His redemptive plan for humanity.

This brings us to the New Testament which reveals the completion of God's redemptive plan in our Lord and Savior Jesus Christ. As we cover the entire New Testament in three months, I realize that it will be a daunting task. I also realize that we will not be able cover everything. We will however, focus on Christ: Who He is; What He accomplished; His relationship to us; and His ultimate glory. It is going to be a great three months in God's word!

If you have been reading through the Bible with us this year, don't stop now. See it through. If you got behind in your reading or didn't commit to reading through the bible in 2011, consider reading through the New Testament with us. I guarantee that it will draw you closer to Christ and your quest to become a more devoted disciple of Jesus Christ.

Please join me as together we seek to make Grace Bible Church:

A Place to Be and Become a Devoted Disciple of Jesus Christ!
